INFORMATION CIRCULAR

(As at May 8, 2020 except as otherwise indicated)

MANAGEMENT SOLICITATION

This information circular (the "Circular") is furnished to you in connection with the solicitation of proxies by management of Barsele Minerals Corp. ("we", "us", "Barsele" or the "Company") for use at the annual general meeting (the "Meeting") of shareholders of the Company ("Barsele Shareholders") to be held at 10:30 am (Vancouver time) on Wednesday, June 24, 2020 and at any adjournment of the Meeting. We will conduct the solicitation by mail, and our officers, directors and employees may, without receiving special compensation, contact Barsele Shareholders by telephone, electronic means, or other personal contact. We will not specifically engage employees or soliciting agents to solicit proxies. We do not reimburse Barsele Shareholders, nominees, or agents for their costs of obtaining authorization from their principals to sign forms of proxy. We will pay the expenses of this solicitation.

GENERAL PROXY INFORMATION

Appointment of Proxyholders

The persons named as proxyholders in the enclosed form of proxy are the Company's directors or officers. **As a Barsele Shareholder, you have the right to appoint a person or company (who need not be a Barsele Shareholder) in place of the persons named in the form of proxy to attend and act on your behalf at the Meeting. To exercise this right, you must either insert the name of your representative in the blank space provided in the form of proxy and strike out the other names or complete and deliver another appropriate form of proxy.**

A proxy will not be valid unless it is dated and signed by you or your attorney duly authorized in writing or, if you are a corporation, by an authorized director, officer, or attorney of the corporation.

Voting by Proxy

The persons named in the accompanying form of proxy will vote or withhold from voting the shares represented by the proxy in accordance with your instructions, provided your instructions are clear. If you have specified a choice on any matter to be acted on at the Meeting, your shares will be voted or withheld from voting accordingly. If you do not specify a choice or where you specify both choices for any matter to be acted on, your shares will be voted in favour of all matters.

The enclosed form of proxy gives the persons named as proxyholders discretionary authority regarding amendments to or variations of matters identified in the Notice of Meeting and any other matter that may properly come before the Meeting. As of the date of this Circular, our management is not aware of any such amendment, variation or other matter proposed or likely to come before the Meeting. However, if any amendment, variation or other matter properly comes before the Meeting, the persons named in the form of proxy intend to vote on such other business in accordance with their judgment.

You may indicate the manner in which the persons named in the enclosed proxy are to vote on any matter by marking an "X" in the appropriate space. If you wish to give the persons named in the proxy a discretionary authority on any matter described in the proxy, then you should leave the space blank. **In that case, the proxyholders nominated by management will vote the shares represented by your proxy in accordance with their judgment.**

Completion and Return of Proxy

You must deliver the completed form of proxy to the office of the Company's registrar and transfer agent, Computershare Investor Services Inc. (contact information below), or to the Company's head office at the address listed on the cover page of this Circular, by Monday, June 22, 2020 at 10:30 am (Vancouver time), which is not less than 48 hours (Saturdays, Sundays, and holidays excepted) before the scheduled time of the Meeting (or any adjournment, as applicable).

Non-Registered Holders

Only Barsele Shareholders whose names appear on our records or validly appointed proxyholders are permitted to vote at the Meeting. Most Barsele Shareholders are "non-registered" Barsele Shareholders because their shares are registered in the name of a nominee, such as a brokerage firm, bank, trust company, trustee or administrator of a self-administered RRSP, RRIF, RESP or similar plan or a clearing agency such as CDS Clearing and Depository Services Inc. (a "**Nominee**"). If you purchased your shares through a broker, you are likely a non-registered Barsele Shareholder.

Non-registered Barsele Shareholders who have not objected to their Nominee disclosing certain ownership information about themselves to us are referred to as "**NOBOs**". Those non-registered Barsele Shareholders who have objected to their Nominee disclosing ownership information about themselves to us are referred to as "**OBOs**".

In accordance with securities regulatory requirements under National Instrument 54-101- *Communication with Beneficial Owners of Securities of a Reporting Issuer*, we will have distributed copies of the Notice of Meeting, this Circular, and the form of proxy (the "**Meeting Materials**") directly to NOBOs and to the Nominees for onward distribution to OBOs.

Nominees are required to forward the Meeting Materials to each OBO unless the OBO has waived the right to receive them. Management does not intend to pay for intermediaries to forward to OBOs under NI 54-101 the proxy-related materials, and Form 54-101F7 - *Request for Voting Instructions Made by Intermediary* and that in the case of an OBO, the objecting beneficial owner will not receive these materials unless the OBO's intermediary assumes the cost of delivery.

Shares held by Nominees can only be voted in accordance with the instructions of the non-registered Barsele Shareholder. Meeting Materials sent to non-registered Barsele Shareholders who have not waived the right to receive Meeting Materials are accompanied by a request for voting instructions (a "**VIF**"). This form is instead of a proxy. By returning the VIF in accordance with the instructions noted on it, a non-registered Barsele Shareholder is able to instruct the registered shareholder (or Nominee) how to vote on behalf of the non-registered Barsele Shareholder. VIFs, whether provided by the Company or by a Nominee, should be completed and returned in accordance with the specific instructions noted on the VIF.

In either case, the purpose of this procedure is to permit non-registered Barsele Shareholders to direct the voting of the shares they beneficially own. Should a non-registered holder who receives a VIF wish to attend the Meeting or have someone else attend on his or her behalf, the non-registered holder may request a legal proxy as set forth in the VIF, which will grant the non-registered holder or his/her nominee the right to attend and vote at the Meeting. Non-registered Barsele Shareholders should carefully follow the instructions set out in the VIF including those regarding when and where the VIF is to be delivered.

Revocability of Proxy

If you are a registered Barsele Shareholder who has returned a proxy, you may revoke your proxy at any time before it is exercised. In addition to revocation in any other manner permitted by law, a registered Barsele Shareholder who has given a proxy may revoke it by either:

- (a) signing a proxy bearing a later date; or
- (b) signing a written notice of revocation in the same manner as the form of proxy is required to be signed as set out in the notes to the proxy.

The later proxy or the notice of revocation must be delivered to the office of the Company's registrar and transfer agent or to the Company's head office at any time up to and including the last business day before the scheduled time of the Meeting or any adjournment or postponement thereof.

If you are a non-registered Barsele Shareholder who wishes to revoke a proxy authorization form or VIF or to revoke a waiver of your right to receive Meeting Materials and to give voting instructions, you must give written instructions to your Nominee in accordance with such Nominee's instructions.

Notice of the Meeting was posted on the Company's SEDAR profile on April 30, 2020.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Except as set out herein, none of the directors or executive officers of the Company, nor any person who has held such a position since the beginning of the last completed financial year of the Company, nor any proposed nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any substantial or material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The Company is authorized to issue an unlimited number of common shares without par value (each, a "**Barsele Share**"), of which 122,920,699 Barsele Shares were issued and outstanding as of the record date, being May 8, 2020 (the "**Record Date**"). The Company has only one class of shares, the Barsele Shares.

Persons who are registered Barsele Shareholders at the close of business on the Record Date will be entitled to receive notice of, attend, and vote at the Meeting. On a show of hands, every Barsele Shareholder and proxyholder will have one vote and, on a poll, every Barsele Shareholder present in person or represented by proxy will have one vote for each Barsele Share. In order to approve a motion proposed at the meeting, a majority of more than 50% of the votes cast will be required to pass an ordinary resolution.

To the knowledge of the directors and executive officers of the Company, as of the date of this Circular, no person or company beneficially owns directly or indirectly, controls, or directs shares carrying 10% or more of the voting rights attached to all outstanding shares of the Company, except Gary Cope, who directly and indirectly through his holding company, 683192 B.C. Ltd., has control and direction over 16,925,300 Barsele Shares, representing 13.8% of the voting rights attached to all of the issued and outstanding Barsele Shares, and

options to purchase 2,025,000 Barsele Shares, which, if fully exercised, represent a combined total of 15.4% of the voting rights attached to all issued and outstanding Barsele Shares.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Compensation, Philosophy and Objectives

The Company has appointed a Compensation Committee and adopted a Compensation Committee Charter in order that the Compensation Committee may guide the compensation program. See Appendix B of this Circular for a full copy of the Compensation Committee Charter. The Barsele board of directors (the "**Barsele Board**") meets to discuss and determine management compensation, upon recommendation by the Compensation Committee, without reference to formal objectives, criteria or analysis.

The general objectives of the Company's compensation strategy are to:

- (a) compensate management in a manner that encourages and rewards a high level of performance and outstanding results with a view to increasing long-term shareholder value;
- (b) align management's interests with the long-term interests of Barsele Shareholders;
- (c) provide a compensation package that is commensurate with other junior mineral exploration companies to enable the Company to attract and retain talent; and
- (d) ensure that the total compensation package is designed in a manner that takes into account the constraints that the Company is under by virtue of the fact that it is a natural resource company without a history of earnings.

The Barsele Board, as a whole, ensures that total compensation paid to all Named Executive Officers (as hereinafter defined) is fair and reasonable. The Barsele Board relies on the experience of its members as officers and directors with other junior mining companies in assessing compensation levels. The Barsele Board considered the risks associated with the current compensation program but did not note any potential material adverse effects. No director or Named Executive Officer is permitted to purchase financial instruments that are designed to hedge or offset a decrease in the market value of the Company's equity securities held directly or indirectly.

Analysis of Elements

Base compensation is used to provide the Named Executive Officers a set amount of money during the year with the expectation that each Named Executive Officer will perform his responsibilities to the best of his ability and in the best interests of the Company. The Company considers the granting of incentive stock options to be a significant component of executive compensation as it allows the Company to reward each Named Executive Officer's efforts to increase value for Barsele Shareholders without requiring the Company to use cash from its treasury. Stock options are generally awarded to directors, officers, consultants and employees periodically at the discretion of the Barsele Board. The terms and conditions of the Company's stock option grants, including vesting provisions and exercise prices, are governed by the terms of the Company's 2017 stock option plan, which was most recently approved by Barsele Shareholders at the annual general and special meeting held on June 13, 2019 (the "**Stock Option Plan**"). The Barsele Board may choose to grant a cash bonus to a Named Executive Officer during the year at its sole discretion. The amount and timing of such bonus will depend on the needs of the Company, the amount of cash in the treasury, and the relative amounts each member of management or consultant earns in fees each month.

Long-Term Compensation and Option-Based Awards

The Company has no long-term incentive plans other than the Stock Option Plan. The Company's directors, officers, employees and consultants are entitled to participate in the Stock Option Plan. The Stock Option Plan is designed to encourage share ownership and entrepreneurship on the part of senior management, employees and other consultants. The Barsele Board believes that the Stock Option Plan aligns the interests of the Named Executive Officers and the Barsele Board with Barsele Shareholders by linking a component of executive compensation to the longer-term performance of the Barsele Shares.

Options to purchase Barsele Shares under the terms of the Stock Option Plan (each, a "**Barsele Option**") are granted by the Barsele Board. In monitoring or adjusting the Barsele Option allotments, the Barsele Board takes into account its own observations on individual performance (where possible) and its assessment of individual contribution to shareholder value, previous Barsele Option grants and the objectives set for the Named Executive Officers and the Barsele Board. In addition to determining the number of Barsele Options to be granted pursuant to the methodology outlined above, the Barsele Board also makes the following determinations:

- the parties who are entitled to participate in the Stock Option Plan;
- the exercise price of each Barsele Option granted;
- the date on which each Barsele Option is granted;
- the vesting period, if any, for each Barsele Option;
- the other material terms and conditions of each Barsele Option grant; and
- any re-pricing or amendment to a Barsele Option grant.

The Barsele Board makes these determinations subject to and in accordance with the provisions of the Stock Option Plan. The Barsele Board reviews and approves grants of Barsele Options periodically during the financial year.

Pursuant to the Stock Option Plan, the Barsele Board grants Barsele Options to directors, officers, employees and consultants as incentives. The number of Barsele Options awarded to a Named Executive Officer is determined by his position and his potential future contributions to Barsele. The exercise price of Barsele Options is determined by the Barsele Board but will in no event be less than the closing trading price of the Barsele Shares on the TSX Venture Exchange (the "**TSX-V**") on the day before a Barsele Option is granted.

The executive officers and Barsele Board refer to the Compensation Committee with respect to setting or amending any equity incentive plans under which share-based or option-based awards are granted. The Compensation Committee carries out these responsibilities in accordance with the Compensation Committee Charter which is included as Appendix B.

CORPORATE GOVERNANCE

The following is a summary of the Company's corporate governance disclosure required by Form 58-101F2 of National Instrument 58-101 - *Disclosure of Corporate Governance Practices*.

Barsele Board

The Barsele Board, at present, is composed of five directors, two of whom are executive officers of the Company and three of whom are considered to be "independent", as that term is defined in applicable securities legislation. Messrs. Arthur Freeze, Rick Sayers, and William White are considered to be independent directors. Mr. Gary Cope, President and CEO, and Mr. Ross Wilmot, CFO, by reason of their respective offices, are not. In determining whether a director is independent, the Barsele Board chiefly considers whether the director has a relationship which could, or could be perceived to, interfere with the director's ability to objectively assess the performance of management.

The Barsele Board is responsible for approving long-term strategic plans and annual operating plans and budgets recommended by management. Barsele Board consideration and approval is also required for material contracts and business transactions, and all debt and equity financing transactions.

The Barsele Board delegates to management responsibility for meeting defined corporate objectives, implementing approved strategic and operating plans, carrying on the Company's business in the ordinary course, managing the Company's cash flow, evaluating new business opportunities, recruiting staff, and complying with applicable regulatory requirements. The Barsele Board also looks to management to furnish recommendations respecting corporate objectives, long-term strategic plans, and annual operating plans.

Certain of the directors of the Company are also directors of other reporting issuers (or the equivalent) in a jurisdiction or a foreign jurisdiction as follows:

Orientation and Continuing Education

The Company has not yet developed an official orientation or training program for new directors. As required, new directors will have the opportunity to become familiar with the Company by meeting with the other directors and with officers and employees. Orientation activities will be tailored to the particular needs and experience of each director and the overall needs of the Barsele Board.

Ethical Business Conduct

The Barsele Board monitors the ethical conduct of the Company and ensures that it complies with applicable legal and regulatory requirements, such as those of relevant securities commissions and stock exchanges. The Barsele Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law, as well as the restrictions placed by applicable corporate legislation on the individual director's participation in decisions of the Barsele Board in which the director has an interest, have been sufficient to ensure that the Barsele Board operates independently of management and in the best interests of the Company. Every quarter, the members of the Barsele Board, as well as the Company's officers and senior management, each sign a confirmation acknowledging the Company's code of ethical conduct and the following policies implemented by the Company: (i) conflicts of interest; (ii) insider trading; and (iii) discrimination, harassment, and bullying.

Nomination of Directors

The Barsele Board has not appointed a nominating committee because the Barsele Board fulfills these functions. The Barsele Board periodically reviews suggestions from existing directors regarding potential changes to the Barsele Board.

Compensation

All compensation matters are dealt with by the Barsele Board, based upon recommendations by the Compensation Committee.

To determine compensation payable, the Compensation Committee reviews compensation paid to directors, CEOs, and CFOs of companies of similar size and stage of development. The Compensation Committee determines appropriate compensation reflecting the need to provide incentive and compensation for the time and effort expended by the directors and senior management, while taking into account the financial and other resources of the Company. In setting the compensation, the independent directors annually review the performance of the CEO and CFO in light of the Company's objectives and consider other factors that may have impacted the success of the Company in achieving its objectives.

In terms of specific experience of the Compensation Committee relevant to the determination of executive compensation, Gary Cope has an extensive history as an executive in the junior resource industry; Rick Sayers has an accounting and management background; and William White has a graduate business school background and management experience.

The Company is a small junior resource company with limited financial resources. The compensation program for senior management of the Company is designed within this context with a view that the level and form of compensation achieves certain objectives including attracting and retaining qualified executives, motivating the short and long-term performance of the executives, and aligning the interests of the executives with those of the Barsele Shareholders.

The Compensation Committee may seek independent compensation advice where appropriate from external consultants in order to assist it in assessing executive remuneration levels and aligning directors and executive remuneration packages with comparable market compensation. The Compensation Committee has not yet engaged such external advice.

Committees of the Barsele Board

The Barsele Board has appointed an Audit Committee, a Compensation Committee, and a Corporate Governance Committee, the members of which are as follows:

Audit Committee	Compensation Committee	Corporate Governance Committee
Gary Cope *Rick Sayers *William White	Gary Cope *Rick Sayers *William White	Gary Cope *Rick Sayers *William White

*Independent

A description of the function of the Audit Committee can be found in this Circular under "Audit Committee". A description of the function of the Corporate Governance Committee can be found under Appendix C.

Assessments

The Barsele Board has not, as yet, adopted formal procedures for assessing the effectiveness of the Barsele Board, its committees or individual directors. The relatively small size of the Company enables the Barsele Board to satisfy itself that individual directors are performing effectively. As the Company grows, the Barsele Board will consider adopting formal procedures for evaluating director and committee performance.

AUDIT COMMITTEE

As at the date of this Circular, the Audit Committee is composed of Gary Cope, Rick Sayers, and William White. Each of Messrs. Sayers and White are independent and all of the members of the Audit Committee are "financially literate". Under this heading, the Company is including the disclosure required by Form 52-110F2 of National Instrument 52-110 – *Audit Committees* ("**NI 52-110**"). The text of the Audit Committee Charter is attached in Appendix A.

The Barsele Board and management will ensure that the Audit Committee has adequate funding to fulfill its duties and responsibilities.

Audit Committee Oversight

Since the commencement of the Company's most recently completed financial year, the Barsele Board has not failed to adopt a recommendation of the Audit Committee to nominate or compensate an external auditor.

Reliance on Certain Exemptions

Since the commencement of the Company's most recently completed financial year, the Company has not relied on the exemptions contained in Sections 2.4 or Part 8 of NI 52-110. Section 2.4 provides an exemption from the requirement that the Audit Committee must pre-approve all non-audit services to be provided by the auditor, where the total amount of fees related to the non-audit services are not expected to exceed 5% of the total amount of fees payable to the auditor in the financial year in which the non-audit services were provided. Part 8 permits a company to apply to a securities regulatory authority for an exemption from the requirements of NI 52-110, in whole or in part.

Under s. 5 (b)(c) and (d) of Form 52-110F2, the Company has not relied on any of the following exemptions:

Section 6.1 exempts the Company from the requirements of Parts 3 (Composition of the Audit Committee) and 5 (Reporting Obligations) of NI 52-110 and allows for the short form of disclosure of audit committee procedures set out in Form 52-110F2 *Disclosure by Venture Issuers* and disclosed in this Circular.

PARTICULARS OF MATTERS TO BE ACTED UPON

Election of Directors

Directors are elected for a term of one year. The term of office of each of the nominees proposed for election as a director will expire at the Meeting, and each of them, if elected, will serve until the close of the next annual general meeting, unless he resigns or otherwise vacates office before that time.

Number of Directors

Under the Company's articles, the number of directors may be fixed or changed from time to time by ordinary resolution but must not be fewer than three. There are currently five directors and five nominees are proposed by management for election at the Meeting.

Nominations and Voting

Unless you provide other instructions, the enclosed proxy will be voted for the nominees listed below, all of whom are presently members of the Barsele Board. Management does not expect that any of the nominees will be unable to serve as a director. If before the Meeting any vacancies occur in the list of nominees listed below, the person named in the proxy will exercise his or her discretionary authority to vote the Barsele Shares represented by the proxy for the election of any other person or persons as directors.

The articles of the Company include rules regarding the requirement for advance notice for the nomination of directors (the "**Advance Notice Provisions**"). The purpose of the Advance Notice Provisions is to provide Barsele Shareholders, directors and management of the Company with direction on the procedure for shareholder nomination of directors. As the first public announcement of the Meeting was filed on the Company's SEDAR profile on April 30, 2020, the deadline for Barsele Shareholders to submit nominations for election to the Barsele Board at the Meeting has passed.

Approval of Incentive Stock Option Plan

The only equity compensation plan which the Company currently has in place is the Stock Option Plan which was most recently approved by Barsele Shareholders on June 13th, 2019.

The intention of management with the Stock Option Plan is to give Eligible Persons (defined below) the opportunity to participate in the success of the Company by granting them Barsele Options, thereby giving them an ongoing proprietary interest in the Company. The Stock Option Plan requires the approval of Barsele Shareholders each year in the annual general meeting of Barsele Shareholders in accordance with the TSX-V Policy 4.4 – "*Incentive Stock Options*".

The Stock Option Plan is a rolling plan, with the Company authorized to reserve a maximum of 10% of the issued and outstanding share capital at the time of the grant. As a result, any increase in the number of issued and outstanding Barsele Shares will result in an increase in the number of Barsele Shares available for issuance under the Stock Option Plan.

Terms of the Stock Option Plan

A full copy of the Stock Option Plan will be available at the Meeting for review by Barsele Shareholders. Barsele Shareholders may also obtain copies of the Stock Option Plan from the Company before the Meeting on written request. The following is a summary of the material terms of the Stock Option Plan.

Number of Shares Reserved: The number of Barsele Shares reserved for issuance under the Stock Option Plan will not exceed 10% of the number of Barsele Shares outstanding (on a non-diluted basis) at any given time.

Administration: The Stock Option Plan will be administered by the Barsele Board.

Eligible Persons: Barsele Options may only be issued to directors, senior officers, employees of Barsele or any of its subsidiaries; consultants engaged by Barsele or any of its subsidiaries at the time a Barsele Option is granted; or a company that is wholly-owned by any of the foregoing. Such persons and entities are referred to herein as "**Eligible Persons**".

Barsele Board Discretion: The number of Barsele Shares subject to each Barsele Option, the exercise price, the expiry time, the extent to which such Barsele Option is exercisable, and other terms and conditions relating to such Barsele Option will be determined by the Barsele Board.

Maximum Term of Options: Barsele Options granted under the Stock Option Plan will be for a term not exceeding five years from the date of grant.

Maximum Options per Person: The number of Barsele Shares reserved for issuance to any one Barsele Option holder pursuant to Barsele Options granted under the Stock Option Plan during any 12-month period may not exceed 5% (or, in the case of a consultant, 2%) of the issued and outstanding Barsele Shares at the time of grant. The number of Barsele Shares reserved for issuance to Barsele Option holders who are engaged in Investor Relations Activities is limited to an aggregate of 2% of the issued and outstanding Barsele Shares at the time of grant.

No Assignment: Stock options may not be assigned or transferred.

Termination Before Expiry: Generally, Barsele Options will expire and terminate on a date stipulated by the Barsele Board at the time of grant. If the employment of a Barsele Option holder who is an Eligible Person is terminated without cause, such Barsele Option holder's Barsele Options (vested or unvested) will terminate 90 days following notice of termination or on the expiry of such Barsele Options, whichever is earlier. If the employment of a Barsele Option holder who is an Eligible Person is terminated for cause, such Barsele Option

holder's Barsele Options (vested or unvested) will terminate on the day of termination. If the employment of a Barsele Option holder who is engaged in Investor Relations Activities is terminated, such Barsele Option holder's Barsele Options (vested or unvested) will terminate 30 days following notice of termination or on the expiry of such Barsele Options, whichever is earlier. If a Barsele Option holder dies, the vested Barsele Options of the deceased Barsele Option holder will be exercisable by his/her estate for a period not exceeding 12 months following the date of the deceased Barsele Option holder's death or on the expiry of such vested Barsele Options, whichever is earlier. If a Barsele Option holder ceases to become an Eligible Person by virtue of disability, the Barsele Board may allow such Barsele Option holder to exercise any vested Barsele Options for a period not exceeding 12 months following the date such Barsele Option holder ceased to be an Eligible Person or on the expiry of such vested Barsele Options, whichever is earlier. Upon any attempt to transfer, assign, pledge, hypothecate or otherwise dispose of a Barsele Option, such Barsele Option will, at the election of the Company, cease and terminate.

Exercise Price: Subject to any adjustments made pursuant to the Stock Option Plan, Barsele Options granted under the terms of the Stock Option Plan will be exercisable at a price that is not less than the market price of the Barsele Shares as of the date of grant, being the closing sale price of the Barsele Shares on the TSX-V on the last day that Barsele Shares were traded before the date of grant.

Full Payment for Barsele Shares: Barsele will not issue Barsele Shares pursuant to Barsele Options granted under the Stock Option Plan unless and until those Barsele Shares have been fully paid for.

Reduction of Exercise Price: The exercise price of Barsele Options granted to insiders may not be decreased without disinterested shareholder approval.

Change of Control: If a Change of Control Event (as defined in the Stock Option Plan) occurs, then the Barsele Board may authorize and implement one or more of the following actions: (a) accelerate the vesting of any Barsele Options and any Barsele Options that are not exercised or surrendered by the effective time of the Change of Control Event will be deemed to be expired; (b) offer to acquire from each Barsele Option holder his or her Barsele Options for a cash payment equal to the In the Money Amount (as defined in the Stock Option Plan) and any Barsele Options that are not so surrendered by the effective time of the Change of Control Event will be deemed to be expired; and/or (c) deem that a Barsele Option granted under the Stock Option Plan be exchanged for an option to acquire, for the same exercise price, that number and type of securities as would be distributed to a holder of Barsele Options in respect of the Barsele Shares issued to Barsele Option holder had he or she exercised the Barsele Options before the effective time of the Change of Control Event, provided that any such replacement option must provide that it survives for a period of not less than one year from the effective time of the Change of Control Event, regardless of the continuing directorship, officership or employment of the Barsele Option holder.

Termination of Plan: The Stock Option Plan will terminate when it is terminated by Barsele. Any Barsele Options outstanding when the Stock Option Plan is terminated will remain in effect until they are exercised or they expire.

At the Meeting, Barsele Shareholders will be asked to pass an ordinary resolution approving the Stock Option Plan in the following form:

"BE IT RESOLVED, as an ordinary resolution, that the Company's 10% rolling stock option plan is ratified, confirmed and approved, including the reserving for issuance under the stock option plan at any time of a maximum of 10% of the issued and outstanding common shares of the Company, subject to regulatory approval, all as more particularly described in the Company's information circular dated May 8, 2020."

Approval of Amendments to Incentive Stock Option Plan

On May 22, 2020, the Barsele Board approved an amendment (the "**Amendment**") to the Stock Option Plan by including a limitation on the number of Options that may be issued to Insiders (as defined in the TSXV Corporate Finance Manual (the "**TSXV Manual**")) of the Company as follows:

"the issuance to Insiders (as a group), within a one-year period, Options exercisable for a number of Shares exceeding 10% of the outstanding Shares at the time of any grant of Options, unless the Company has obtained the requisite approval of disinterested Shareholders pursuant to the requirements of the Exchange Manual"

In accordance with the TSXV Manual, the Amendment is subject to the approval of the Barsele Shareholders. If the Amendment is approved by the Barsele Shareholders, the Stock Option Plan, as amended by the Amendment (the "**Amended Stock Option Plan**"), will supersede and replace the Stock Option Plan and Barsele Options granted under the Stock Option Plan will be deemed to have been granted under the Amended Stock Option Plan. In the event that Barsele Shareholders do not approve the Amendment at the Meeting, the Stock Option Plan (if such plan is approved by Barsele Shareholders at the Meeting) will remain in effect without the Amendment.

At the Meeting, Barsele Shareholders will be asked to pass an ordinary resolution approving the Amendment in the following form:

"**BE IT RESOLVED**, as an ordinary resolution, that the amendment to the Company's 10% rolling stock option plan to include a limit on the number of Options that may be granted to Insiders of the Company, all as more particularly described in the Company's information circular dated May 8, 2020, is hereby ratified, confirmed and approved."

OTHER MATTERS

Management does not know of any other matters to come before the Meeting other than those referred to in the Notice of Meeting and further described in this Circular. Should any other matters properly come before the Meeting, the Barsele Shares represented by the proxy solicited hereby will be voted on such matters in accordance with the best judgment of the persons voting the proxy.

APPENDIX A AUDIT COMMITTEE CHARTER

The purpose of the Audit Committee (the "Committee") is to assist the Barsele Board of Directors in fulfilling its oversight responsibilities by reviewing the financial information which will be provided to the shareholders and others; reviewing the systems of internal controls which management and the Barsele Board of Directors have established; appointing, retaining and overseeing the performance of independent accountants; and overseeing the Company's accounting and financial reporting processes and the audits of the Company's financial statements. Details of the responsibilities are laid out in National Instrument 52-110 Audit Committees ("NI 52-110").

The Committee will fulfill these responsibilities by carrying out the activities defined below under "Duties and Responsibilities." The Committee shall be given full and direct access to the Barsele Board Chairman, Company executives, and independent accountants as necessary to carry out these responsibilities. However, the Committee's function is one of oversight only and shall not relieve the Company's management of its responsibilities for preparing financial statements which accurately and fairly present the Company's financial results and condition, or the responsibilities of the independent accountants relating to the audit or review of financial statements.

COMPOSITION OF THE AUDIT COMMITTEE

The Committee shall be comprised of at least three directors, each of whom will be independent to the extent possible and as regulated. No member of the Committee, to the extent possible, shall have participated in the preparation of the financial statements of the Company or any current subsidiary of the Company at any time during the preceding year. Each appointed Committee member shall be subject to annual reconfirmation after the Annual General Meeting and may be removed by the Barsele Board of Directors at any time.

All members of the Committee shall be "financially literate" as defined in NI 52-110, meaning that they are able to read and understand fundamental financial statements, including a balance sheet, income statement of financial position and statements of operations and comprehensive loss, shareholders' equity and cash flow statements. At least one member of the Committee shall have been employed previously in finance or accounting, or possess current or former certification in accounting, or any other comparable experience or background, which would result in financial sophistication, including being or having been a chief executive officer, chief financial officer or other senior officer with financial oversight responsibilities.

DUTIES AND RESPONSIBILITIES

To fulfill its duties and responsibilities, the Committee shall:

1. Review annually the Audit Committee Charter for adequacy and recommend any changes to the Barsele Board of Directors.

3. Review the financial, investment and risk management policies followed by the Company in operating its business activities.

4. Review the Company's annual audited financial statements, related disclosures, including the MD&A portion of the Company's filings, and discuss with the independent accountants the matters required to be discussed by auditing standards, including (a) the quality as well as acceptability of the accounting principles applied in the financial statements, and (b) new or changed accounting policies; significant estimates, judgments, uncertainties or unusual transactions; and accounting policies relating to significant financial statement items. Also review with Management the results of the Company's review of Internal Controls over Financial Reporting for each quarter, and more generally its disclosure controls and procedures.
5. Review any management letters or internal control reports prepared by the independent accountants or auditors and responses to prior management letters, and review with the independent accountants or auditors the Company's internal financial controls.
6. Review the effectiveness of the independent audit effort, including approval of the scope of, and fees charged in connection with, the annual audit, quarterly reviews and any non-audit services being provided.
7. Be directly responsible for the appointment, determination of the compensation for, retention and oversight of the work of the independent accountants employed to conduct the audit (including resolution of disagreements between the independent accountants and management regarding financial reporting) or other audit, review or attest services. The independent accountants shall report directly to the Audit Committee.
8. Pre-approve all audit services and permissible non-audit services by the independent accountants. The Committee may establish pre-approval policies and procedures for the engagement of independent accountants to render services to the Company, including but not limited to policies that would allow the delegation of preapproval authority to one or more members of the Committee, provided that any preapprovals delegated to one or more members of the Committee are reported to the Committee at its next scheduled meeting.
9. Review the hiring policies for any employees or former employees of the independent accountants.
10. Obtain on an annual basis a formal written statement from the independent accountants delineating all relationships between the accountants and the Company, and review and discuss with the accountants any disclosed relationships or services the accountants have with the Company which may affect the accountants' independence and objectivity. The Committee is responsible for taking, or recommending that the full Barsele Board of Directors take appropriate action to oversee the independence of the independent accountants.
11. For each of the first three fiscal quarters and at year end, at a Committee meeting, review with management the financial results, any proposed earnings press release and any formal guidance which the Company may plan to offer.
12. Review management's analysis of any significant accounting issues, changes, estimates, judgments or unusual items relating to the financial statements and the selection, application and effects of critical accounting policies applied by the Company (including an analysis of the effect of alternative methods permitted under IFRS) and review with the independent accountants the reports on such subjects delivered.
13. Review the disclosure required in Form 52-110F2 to be included in the annual management information circular in connection with the Annual General Meeting.
14. Following completion of the annual audit, review separately with the independent accountants and management any significant difficulties encountered during the course of the audit.

15. Engage and determine funding for such independent professional advisers and counsel as the Committee determines are appropriate to carry out its functions hereunder. The Company shall provide appropriate funding to the Committee, as determined by the Committee, for payment of (1) compensation to the independent accountants for services approved by the Committee, (2) compensation to any outside advisers retained by the Committee, and (3) ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties.
16. Report to the Barsele Board of Directors at a subsequent Board meeting on the major events covered by the Committee and make recommendations to the Barsele Board of Directors and management concerning these matters.
17. Perform any other activities consistent with this charter, the Company's Bylaws and governing law as the Committee or the Barsele Board of Directors deems necessary or appropriate, including but not limited to the Company's legal and regulatory compliance.
18. Approve all related party transactions, as defined by regulation to which the Company is a party.
19. Establish procedures for:
 - a) the receipt, retention, and treatment of complaints received by the Company regarding accounting, internal accounting controls, or auditing matters, and (b) the confidential, anonymous submission by employees of concerns regarding questionable accounting or auditing matters.

AUDIT COMMITTEE MEETINGS

The Committee will meet on a regular basis at least four times each year, and will hold special meetings as circumstances require. The timing of the meetings to be scheduled for an upcoming fiscal year shall be determined by the Committee prior to the beginning of such fiscal year. A calendar of proposed meetings will be reviewed by the Committee at the same time as the annual Audit Committee Charter review. The calendar shall include appropriate meetings to be held separately with representatives of the independent accountants and management. In addition, the Committee will meet at any time that the independent accountants believe communication to the Committee is required.

At all Committee meetings a majority of the total number of members shall constitute a quorum. Minutes shall be taken at each meeting of the Committee and retained.

Upon resignation of a member of the Committee, the vacancy shall be filled by appointment by the Barsele Board of Directors as soon as practical.

DUTIES AND RESPONSIBILITIES

Subject to the powers and duties of the Barsele Board of Directors, the Barsele Board of Directors hereby delegates to the Committee the following powers and duties to be performed by and on behalf of and for the Barsele Board of Directors.

The Committee shall:

1. Review from time to time as required and recommend to the Barsele Board of Directors for approval as necessary the performance targets and corporate goals relevant to Management compensation and evaluate the performance of Management based on such goals.
2. Review from time to time as required and recommend to the Barsele Board of Directors for approval the proposed appointment of any person to Management.
3.
