

A Belcarra Group Company

## BARSELE MINERALS ENGAGES INVESTOR RELATIONS FIRM

**April 11, 2023: Vancouver, BC, Barsele Minerals Corp. (TSX.V: BME)** (the “Company” or “Barsele”) is pleased to announce that it has engaged Outside The Box Capital Inc. (“**Outside The Box Capital**”) for the provision of marketing and investor relations services, including but not limited to, planning social media content, working with the Company to establish an ambassador for the Barsele Project, assisting the Company with its various social media channels, increasing investor awareness in new communities and producing feature content of the Company on its and other entities' media channels (collectively, the “**Services**”).

The engagement of Outside The Box Capital is for an initial term of six months and if the engagement is not terminated during the initial term, the engagement will automatically continue for an additional six months. The anticipated total costs to the Company during each six-month term is \$100,000 plus reasonable expenses actually and properly incurred by Outside The Box Capital in its provision of the Services. In addition, the Company has issued Outside The Box Capital 575,000 options (the “**Options**”) to purchase common shares of Barsele (the “**Common Shares**”). The Options vest in equal quarterly installments over 12 months and each Option is exercisable for one Common Share at a price of \$0.35 for a period of two years.

Outside The Box Capital has no direct relationship with the Company other than as set out in this release. The engagement of Outside The Box Capital remains subject to TSX Venture Exchange approval.

### **About Barsele Minerals Corp.**

Barsele is a Canadian-based junior exploration company managed by the Belcarra Group, comprised of highly qualified mining professionals. Barsele’s main property is the Barsele Gold Project in Västerbottens Län, Sweden, a joint venture with Agnico Eagle. An updated NI 43-101 Technical Report on the Barsele Project with an effective date of February 21, 2019, was filed on SEDAR on April 2, 2019. This NI 34-101 Technical Report and Mineral Reserve Estimate (Amended) for the Barsele Property was modified and filed on SEDAR on December 16, 2020.

### **ON BEHALF OF THE BOARD OF DIRECTORS**

Gary Cope  
President
